Welcome to the Crail Community Hall Newsletter!

It is a pleasure to announce our latest public events and regular activities at Crail Community Hall. There soon should be something for everybody.

Since the take over from Fife Council the team at the hall has been busy promoting the hall for private functions and events of which we see the first results in bookings for memorials, weddings and birthday parties extending into 2023. However, this is not all that's going on, we are also here to offer regular events and activities from sport and fitness to food, theatre and music for everybody in the community. The first ones have now been organised and we hope that they find wide interest in Crail and further afield.

There are some well known events which continue just as before, but there will also be new things to experience. One of the highlights this year will be the Christmas Fayre featuring stalls brimming with local arts and crafts, a Christmas Cafe and kid's activities. The Christmas Fayre weekend will conclude with a seasonal concert featuring A Cappella music from two of the St Andrews music groups.

Crail Folk Club restarted in July and is selling out quickly every month. Crail Festival's Abba tribute and a roaring 1920s night with Christine Bovill light up October. With a Jazz concert adding to the music scene in November.

The new year will bring a lot of innovative events including a Valentine's Murder Mystery Dinner, a 'crime investigation' where the audience is the Jury and a Jazz brunch.

To brighten up the dark evenings three quiz nights are scheduled with the first one taking place on 22 January. Which team will be Crail's best quizzers?

We hope that many of you will join us and help with your attendance to make the Community Hall the hub it deserves to be. For tickets and further information please follow the links from the events page on our website.

See you soon!
